Lausche Proclaims Easter Seal Month

LAUSCHE PROCLAIMS EASTER SEAL MONTH—Governor Frank J. Lausche is pictured signing a proclamation setting aside the month of March 18 to April 18 for the Easter Seal Drive, a campaign sponsored annually by The Ohio Society for Crippled Children. Two of the youngsters who have received help from the medical program of the Society are pictured with him—Sandra Spellerberg of Columbus, and Michael Highman of Zanesville. Michael was selected as the 1954 Ohio Easter Seal Child.

Cedarville Students Receive Top Ratings In Music Contest

Cedarville High School students received top ratings on March 13th at OSSO Home in Xenia at the Ohio Music Education Association Contest for District two of Ohio.

A rating of two was given to Janice Weakley and Jane MacMillan for piano solos.

A rating of first was given to Carolyn Collins for a soprano vocal solo.

The first boys vocal ensemble received a rating of two. Those participating in the ensemble were: Paul Abels, Jack Lillich, John Kyle, Kent Creswell, Dale Reed, John MacMillan, Jerry Judy and Ronald Gruea with Carolyn Collins as pianist.

Ronald Gruea received a rating of one for a baritone vocal solo.

Rating a number one for trumpet solos were Jack Lillich, Sue Cotter and Paul Stalgers.

The mixed vocal ensemble composed of Carolyn Collins, Janice Weakley, Ima Purdin, Paul Abels, Jack Lillich, Jerry Judy and Paul Stalgers rated a one with Jane MacMillan as pianist, (Betty Risner absent).

Girls ensemble number one with Jeanne Hull, Pat Davis, Sally Creswell, Ima Purdin, Janice Weakley, Linda Gordon, Nancy Creswell, Barbara Prether, and Carolyn Collins with Jane MacMillan as pianist, received a first rating.

The second boys' ensemble composed of Kent Harbison, Donald Flax, Paul Stantford, Gerald Hoppling, Richard Prether, Paul Stalgers, James Swanton and Larry Stover with Jane MacMillan at the piano, received a rating of two.

The second girls' ensemble composed of Audrey Tackett, Lynn Cummings, Betty Bennington, Barbara Baker, Mildred McCallister, Shirley Maxton, Caroline Thordson, Mary J. Ewry and Sue Cotter, with Janice Weakley as pianist, received a rating of two.

Those receiving ratings of first will go to the state contest at Miami University on April 10th.

1954 First Graders Please Register

Registration blanks for youngsters who will enter Cedarville Public School in the first grade for the fall term in 1954, were sent home by school student recently.

Any parent who has a child entering the first grade next fall is requested to fill out and return the blanks by May 1st.

Any first grade student who will enter school next fall in the first grade who has not received a registration blank will please phone or call at the school for registration.

Cooperation of parents will facilitate school officials in planning classes for next year.

Area Colleges Offer Summer Courses

Ohio colleges in this area will operate summer schools for terms in 1954. There will be ample opportunities for teachers in service to meet the additional training requirements for recertification.

No full time teacher currently employed under temporary certification will be recertified except upon evidence of the completion of six semester hours of additional training since the issuance of the certificate.

Central State College, Wilberforce; University of Dayton at Dayton; University of Cincinnati, Cincinnati; Miami University, Oxford; Ohio State University, Columbus; Ohio University, Athens; Wilmington College at Wilmington; and Wittenberg College at Springfield will send complete information concerning offerings, fees, etc. Write the college of your choice for their summer school bulletin.

Springfield Symphony Presents Pianist

Byron Janis, 22-year-old pianist of note, will appear at Memorial Hall in Springfield, Ohio, on Sunday evening, April 4th, at 8:15 p. m. Janis, brought down the house two years ago when he appeared in Springfield.

A native of Pittsburgh, Janis has studied piano since the age of six. He gave his first public recital there when he was nine and appeared as soloist with the Pittsburgh Symphony when he was sixteen. He first came into prominence through his appearance on several of NBC's top musical programs, including an engagement as soloist with the NBC Symphony.

From all over the United States and Canada to South America and Europe acclaim has been heaped upon Janis wherever he appears as soloist with orchestras as well as in recitals. In Amsterdam, Holland, in the fall of 1952, his phenomenal playing was hailed as "An achievement which pianistically places him into the first rank."

Tickets may be secured by writing or calling the Symphony office in Springfield, at the Chamber of Commerce Building, telephone 3-4015.

Plans Formulated For Softball Games

Cedarville's spacious community park, for the third successive season, will provide the setting for league softball played under the lights and summer night skies.

Representatives from community teams in this area have been invited by the Cedarville Progressive Club Softball Commission to convene next Friday night in the park Shelter House and formulate plans for the 1954 season of community softball league competition.

The meeting will take the form of a joint session of team and commission members to discuss measures for improved playing conditions, increasing the caliber of competition, and establishing firm and well-defined league rules for the approaching season. Two of Greene County's strongest softball aggregations, Yellow Springs and Fairborn, have been invited to augment the six league teams that participated in league play last year.

"It is the aim of the Progressive Club Softball Commission to bind within a single league the strongest teams in Greene County or immediately adjacent communities," stated George W. Jahn, commissioner of the Community Softball League. "Moreover the commission is also desirous of providing improved playing and spectator facilities during the coming season."

"Present indications are that the majority of teams in the league last season again will be in the fold, along with teams from communities not previously represented in the organization. Entries from any well organized, responsibly supported softball teams in Greene County, are solicited by the league. Representatives from such clubs will be welcome to attend next Friday night's meeting in the Cedarville Community Park Shelter House at 8 p. m."

Since the Cedarville Progressive Club formally opened lighted, softball facilities two years ago, many thousands of spectators have been able to enjoy regularly this interesting pastime and the local community park. The action has done much to revive popular interest in the game of softball throughout the county. As a result the community park with its inter-community league now has become the hub of softball activities.

To further interest in softball, the Progressive Club Softball Commission, during a meeting last week, announced that season tickets would be made available to fans at especially attractive prices. In addition, these tickets will be further reduced in price for families of players engaged in league competition. Season tickets will now be within the reach of all softball fans—young or old—according to O. Jess Chamberlain, treasurer of the commission.

Electric Construction Made In County

Approximately \$22,000 was spent in electrical construction projects in Greene County during 1953, according to L. V. Nilson, district manager of The Dayton Power and Light Company.

Purpose of these projects is to insure better service and provide additional facilities to meet future demands.

In the past eight years DP&L has spent over \$126,000,000 to meet the growing demands for electricity within the 6,041 square miles of territory it serves. Generating capacity, which now totals 500,000 kilowatts, has increased more than two and a half times.

Invading Group Included Women Who Were "Absolute Strangers" to Demo Leaders

A Greene County Federation of Democratic Women was to have been organized Thursday evening at the Jaycee Clubroom in Xenia.

The business meeting never got started. A delegation of Yellow Springs women broke up the meeting and refused to allow the transaction of the scheduled business which included the election of officers and the adoption of a Constitution and by-laws.

In an effort to limit affiliation with the Federation to bona fide Democratic women, membership cards had been issued. The right to vote was to have been limited to actual dues-paying members.

When an effort was made to call the meeting to order, the Yellow Springs group demanded that membership cards be issued to them. The Democratic women refused to comply with the Yellow Springs demand. The "Antioch Community" delegation then harangued the meeting until about 11 p. m., when the organizers disbanded, gave up their plans for the organization of a Greene County Federation of Democratic Women and announced that dues payments will be refunded to all paid-up members.

Women who have been active in local Democratic circles for years told the "American" that the Yellow Springs "blitzkriegers" included women who were absolute strangers to them.

A check of Greene County Board of Elections records disclosed that most of the invaders had not declared themselves as Democrats and were not registered to vote.

Non-members at the meeting from Xenia and rural areas withdrew from the meeting in compliance with the request of the presiding officer.

Leaders of the Yellow Springs crowd included Mrs. John Sparks, wife of a member of the Greene County Board of Elections; Mrs. Herman Schnurer, wife of an Antioch professor who was active in the CIO-PAC during the era when Lee Pressman, an admitted Communist, was a dominant figure in that organization; Mrs. Elizabeth Kleeman, Martha Duncan and Mary Radin.

A check made thru the American files disclosed that a Mary S. Radin was among those who joined with Edith Steinberg in the circulation of nominating petitions for the pro-Communist (Wallace) Progressive Party in 1948. Edith Steinberg was the wife of Dr. Arthur Steinberg, former Antioch faculty member.

Walter Boyer Heads Committee

A special meeting of the Greene County Athletic Association was held in the Court House Tuesday afternoon. Executive Heads and Coaches from all seven Class B schools were present to set up the program for the coming months.

Mr. Walter W. Boyer, of Cedarville, new Chairman of the Committee, was in charge of the meeting.

Briefly, the decisions reached by the Committee were:

(1) Recommendation to the reorganization committee to include a rotating committee of five members to make athletic policies.

(2) County Field Meet for May 13-14 with site to be announced later.

(3) Full Baseball schedule to open on September 14 with committee empowered to schedule umpires and dates.

(4) Basketball League schedule December 17 to February 11, to follow pattern of last year with Greeneview assuming Silvercreek schedule December 17 to February 11.

(5) County Tournament dates set for February 15, 17, 19, 21, 23, 25 with 28 for possible play-off.

(6) Coaches were to complete list of suggested officials and recommend choice to County Committee.

(7) A suggestion that liability insurance be considered for the tournament was discarded.

(8) The Committee will consider use of reserved seats for the Tournament.

The new Athletic Committee will consist of Supt. Boyer, Supt. Harry E. Wallace, Supt. John Halchin, Coach Hugh Haines.

Dr. & Mrs. Jamieson To Leave Cedarville

Dr. and Mrs. R. A. Jamieson who have been well beloved residents of this community for a number of years are leaving on March 30th to establish residence in their new home at 5720 Willows Ave., Philadelphia 43, Penn.

Dr. Jamieson served as pastor of the United Presbyterian Church in Cedarville for twenty-five years. He retired several years ago but has been active in serving where needed in Cedarville and surrounding communities.

His wife, the former Carrie Rife, helped guide and educate many young people of this community both in public school and later at the college.

The Jamiesons will live two city blocks from Dr. Jamieson's daughter and husband, Rev. and Mrs. A. F. Hulsh. Mr. Hulsh is pastor of the Sherwood United Presbyterian Church in Philadelphia.

The best wishes of the entire community are extended to this fine Christian couple for their happiness and welfare in their new residence. They will be greatly missed by all.

Bridge Club To Organize at Xenia

A contract duplicate bridge club under auspices of the Xenia YMCA will hold the first session on Friday, April 9th, at 8:00 p. m. at the Y building.

Mr. Edward Moraski, past president of Miami Valley Bridge League and Mrs. Marion Coyle, secretary of the league, will be in attendance to get the class started. Meetings will be held every other Friday.

Anyone interested is welcome to attend but must bring a partner. For further information call Mrs. May D. Brown, telephone 2-5478, Xenia.

With a Buckeye In Congress...

By CLARENCE J. BROWN
Member of Congress, 1st Ohio District

Some seventy-five county legislative representatives and other officials of the Ohio Farm Bureau visited various Members of the Buckeye delegation to Congress last week, and entertained them at early breakfast on Thursday. Information was furnished to the national legislators as to the views of the Ohio Farm Bureau members on various bills now pending before the Congress.

The House last week approved and sent to the Senate a bill authorizing the Federal Government, through the Department of Agriculture, to help finance watershed developments for flood control and soil conservation purposes. The bill carried no funds, but simply authorized future appropriation of whatever funds Congress may later determine necessary for this purpose.

Because of growing concern over the situation in Indo-China, President Eisenhower, in recent statements, has made it clear that he will not put this country into another war — such as in the case of President Truman's Korean "police action" — without a formal declaration of war by Congress. However, should the United States be attacked, American forces will be ordered to retaliate promptly against the aggressor.

The House last week unanimously passed a bill to legally change the name of Armistice Day to Veterans' Day. If the legislation is approved by the Senate, as expected, henceforth November 11th will be a national holiday set aside for the purpose of paying honor and tribute to the veterans of all wars in which the United States has engaged.

One of the plans now said to be under consideration to help solve the Government surplus food problem is to use such foodstuffs to fight Communism in the Western Hemisphere, through food gifts to the hungry. According to rumor, two million tons of American wheat may soon go to Bolivia to help meet the spread of Communism among the poverty-stricken people of that South American country.

A new campaign slogan has reached Washington from the fair State of California. We quote: "Send Jimmy to Washington. The wife you save may be your own."

During the last two years, the United States has placed \$2.5 billion worth of contracts abroad for military equipment to be furnished by foreign countries. About 100,000 citizens of fifteen foreign nations are engaged in producing these military supplies, including aircraft, ammunition, tanks, ships, locomotives, motor vehicles, electronic equipment, and repair and replacement parts.

Mr. Ralph E. Shupe,
Editor and Publisher,

The Cedarville Herald,
Cedarville, Ohio

Dear Mr. Shupe:

Your recent, courageous article and open letter regarding the visit of Dr. Linus Carl Pauling to Antioch College should arouse the admiration and support of every citizen who loves his country and desires to see her remain free.

Since America's heritage includes the labors of founding fathers, who

loved God and His Word, the attempt by any group to deny His existence either in word or by practice should be met with staunch resistance by every patriot. To strike at the Founder is to demolish the foundation.

As those who love their country we commend you for your timely bravery and keen discernment of vital issues affecting us as citizens of America. We await with heightened interest further articles you may be preparing on this matter.

Yours for freedom,

PAUL B. HAIST, Secretary
for the Faculty of

Young Farmers To Organize

Problems confronting young people just starting to farm were discussed at a meeting of young farmers and their wives held Thursday, March 11, at Cedarville school. The meeting was hailed as a great success by the sponsoring committee.

A transcribed portion of the meeting was broadcast on WRFD on Friday, March 12, at 4:05 p. m. Participating in the broadcast were Mr. & Mrs. Robert Fudge, Mr. Wayne Corry, Miss Clara Sexton, Mrs. Marion Beason, chairman of sponsor committee, and Mr. Carl Pickering, Greene County Farm Bureau president.

Mr. Carl Hutchinson, Educational Director of the Ohio Farm Bureau, divided those present into six small groups in order that they might discuss those topics which they wish to hear discussed at the next meeting. They were interested in many problems which confront young people starting to farm.

Among the topics were finance, hinging around the question "How deeply can they afford to go into debt?" farm and household management; timely economic information; and the matter of meetings devoted to recreation. These questions are to be developed into a yearly program.

A six-member committee from Miami and Cedarville townships will meet with the Farm Bureau committee March 29 to make further plans for an April 15 meeting at Tecumseh school. Committee members are Mr. & Mrs. Ernest Collins, Mr. & Mrs. James H. Turnbull, Wayne Corry and Clara Sexton.

Clair Young, associate County Extension Agent, presented timely economic information to the group and assisted Mr. Hutchinson with the recreational program which consisted of folk dancing. Refreshments were served.

"Doc" Evans Does It Again

A. B. "Doc" Evans and his Fernalde Farms Hampshires have brought more high honors to Greene County. Looks as tho "Doc" won the lion's share of the prizes awarded at the Ohio Spring Barrow Show held last Saturday at the Columbus Stockyards.

One of "Doc's" Hampshires walked off with first prize in the Hampshire barrow competition. Next, Fernalde won first prizes with a pen of three Hampshire barrows in the competition for pens of three.

These victories were merely a foretaste of greater things to come. Fernalde Farm Hampshires won the Grand Champion award over all other breeds for a pen of ten porkers.

The first prize barrow was then taken to Ohio State University and slaughtered for entrance into the carcass contest. Again Fernalde Farm won top honors by winning the Grand Champion Carcass award over all breeds.

Two first prizes and two Grand Champion awards will make a nice addition to the Fernalde Farm trophy chests. Congratulations to "Doc" Evans and his crew are in order.

Progressive Farmers 4-H Reorganizes

The first meeting of the current year of the Cedarville Progressive Farmers 4-H Club was held at the home of the advisor, Mr. John Stover, Wilberforce Road, on Saturday evening, March 20th, with nine boys present.

New officers were elected with Ronald Reese, serving as president; Larry Stover, vice president; Keith Linkhart, secretary; Bob Stover, treasurer; Stanley Bull, Health and Recreation; and Bruce Cherry, News Reporter.

Discussion was held by the group on new projects to be worked on and junior leadership.

Refreshments were served by Mrs. Stover.

ROVIN'

With Ralph Shupe

It is said that there have been many surgical operations in which the surgery was successful and efficiently performed altho the patient died.

During the period of our investigation of the subversive menace which has developed in recent years in Yellow Springs in general and at Antioch College in particular, we have found that Antioch has truly made a noteworthy contribution to education. This only makes still greater the tragedy of Antioch's decline and disintegration into a socialist-marxist "Colony". But... there is still much that is good in the Antioch tradition and in the Antioch system.

A drastic operation must be performed if the "patient" is to survive. The wholehearted cooperation and assistance of the loyal Americans in this area will be vitally important in the performance of the "operation." To be most effective... the clean-up at Antioch must be done in a thorough... orderly and absolutely legal manner. There must be no hysteria... but a firm and unwavering demand that the menace at Antioch College be thoroughly and completely investigated... and removed.

When that job is done... let's all join in the rebuilding of Antioch College. Let's see to it that the "operation" is successful and... furthermore... that the "patient" survives.

All of which naturally brings us to "Subversive Slayer" No. 1... Joe McCarthy.

The Reds and their buddies in high places have too long succeeded in knocking off those who have proved effective against them. Martin Dies is a good example.

If the Communists and fellow-travelers can defeat a fighter like Joe McCarthy, they can safely figure on smoother sledding in the future. If they can lick McCarthy... who'll dare take them on?

If this McCarthy—anti-McCarthyite scrap were not so deadly serious... it would be downright entertaining. The spectacle of Senator Joe taking on all comers and knocking them on their figurative haunches is both encouraging and inspiring. The guy's really got something. And no one has ever trotted out this "innocent" character who has been "persecuted" and "unfairly injured" by McCarthy. Why is he kept in hiding... if he exists?

Obviously... McCarthy is getting mighty close to some people who simply can't afford to have the truth told about them. These Communist in government... social... financial... and dilettante; fellow-traveler connections in very high and prominent circles. There is an air of desperation about the latest attacks on Joe McCarthy which indicates that these prominent connections are literally shivering in their shoes.

Be that as it may. There is one most important factor apparently overlooked by the motley crew of Communists... fellow-travelers... parlor pinks... dupes and dumbbells who are fighting McCarthy and other enemies of Communism.

The boys who are being drafted into the Armed Services, are not being drafted to fight the Hottentots or Hindustani.

We have but one enemy—The Communists. The mother and fathers of this nation know that; the draftees know that. Neither the worried mothers and fathers nor the draftees are going to forget it.

And... the parents of the United States are not going to stand by and allow Communist and fellow-traveling vermin to do their spying and spreading their anti-American poison here at home while their sons drill and march in preparation to fight and die fighting the Communist thugs in Korea... India... Europe or anywhere else.

The commonsense... patriotism... and parental devotion of the masses of our people make up Joe McCarthy's trump ace in the hole... and Joe will never have to play that card. Loyal Americans will play it for him... given the facts. And woe be unto them who sit on the other side of the table if and when it becomes necessary for that card to be played.

Joe McCarthy is winning and he'll continue to win because he is right. There is no place in our government... our schools... our industry... not even in our "Chic Sales"... for a Communist or a fellow-traveler. The righteous wrath of our people is beginning to stir. And... if the people of this nation decide that they themselves must clean out their domestic Communist enemies... it will be an amazing and delightfully deadly thing to see.

Incidentally... just the other day... a Greene County boy who is blind in one eye was drafted into the Army. The Communist threat must be more serious than we think.

CEDARVILLE SCENE:... Rumor ran rampant... right or wrong... thru our town when word got around that the police were dragging Tyson's pond on the old stone quarry site just west of town... They've found an automobile... They say there's a woman in it and she's been missing three years... It has something to do with the investigation of this dope race... They're dragging the auto out of the pond... And the depth of the pond has been estimated to be anywhere from 45 to 85 feet... As we go to press... There's a big wrecker and lots of officers patiently dragging but the rumor mills roll on... Now just what do you suppose it's all about?

Johnny Mills and the Conklin Bros. have delivered another of their revolutionary "Fire-Tracs" to the Willow Run plant of General Motors... Tell ya... folks... the boys really have something there. Amid a disconcerting and flu-encouraging series of short summers and hard winters... Spring has sprung... and the romantic problems of our town's young folks seem to be growing as a result... Attendance at Prof. Vi Kuna's "Vo-Ag" class remains steady... we're told... Cal Ewry has been fishing... and right smack dab on Main St... and... faith and bejabbers... he caught a 12-inch bass... 'Twas like this: A tank truck came swinging around the corner at Chillicothe & Main... Presto! A good bass was flopping around on Main St. Cal hid himself away... got a can of water... put Mr. Bass in his native element... and toted him down to Massie's Creek... where the bass flipped his tail at Bro. Ewry in thanks and fond goodbye... Fred Luttenberger should sell a lotta fishing tackle... We'll trade him some advertising right now for a fishing rig... and join the gang on the creek bank.

**Birthday Party Held
For Margie Check**

Margie Check, daughter of Mr. and Mrs. Jay Check, Walnut Street, was guest of honor at a birthday party on Tuesday afternoon of this week, when a group of her little friends gathered at her home for a surprise party.

Margie, who was six years old on Tuesday, received many lovely gifts from the guests.

The little folks spent the afternoon playing games and refreshments of ice cream, birthday cake, Easter candy and chocolate, milk were served by Mrs. Check.

Guests at the party were Gail and Nancy Stokes, David Palmer, Leon Buffenbarger Jr., Michal McCormick, Deslie Rigio, Bobby and Michael Stalgers, Cheryl Lynn Marshall, Jimmy, Dickie, Jackie, Bobbie and Kathy Johnson, Kenneth Stoll, Theresa and Susan Check, Mrs. Robert Marshall, Mrs. John Stoll, Mrs. James Johnson and Miss Winifred Myers.

**Mrs. William Lafferty
Entertains Club**

Eighteen members of the Kensington Club met at the parish house of Christ Episcopal Church, East High Street, in Springfield, on Thursday of last week, with Mrs. William Lafferty as hostess.

Mrs. Raymond Williamson, the club president, conducted the business meeting. A report was given by Mrs. Raymond Cherry on plans and progress for the annual May Musical which is sponsored by four clubs of the town.

Letters entitled "An American Girl Looks at West French Africa" which had been written to Mr. and Mrs. Delmar Jobe by their daughter, Mrs. Beryl Grubaugh, were read by Mrs. Jobe. Mr. and Mrs. Grubaugh are residing in Dakar, West French Congo, Africa, where Mr. Grubaugh is stationed with an American oil company.

A delicious dessert course was served from a table beautifully decorated in yellow and green. Tea was poured by Mrs. Ralph Ferguson who assisted Mrs. Lafferty.

College News

This week at the College is marked by two important events both of which usher in Spring. The first is the Spring Fellowship. It will be held on Thursday evening, March 25, at 6:30 in the Dining Hall. This event will be an informal affair for all students and their families and the faculty families. An interesting student program is being prepared under the direction of Al Yost.

The second happening is Clean-Up Day. It is scheduled for Friday

day, March 26, if the weather permits. Regular classes will be suspended for the day but attendance will be required on penalty of extra cuts. The only break in the day's work will be the regular Chapel period of 30 minutes. At this time the student body will be addressed by the Rev. Robert D. McCarthy, pastor of the Thirty-First Street Fundamental Baptist Church of Indianapolis, Indiana. The work of the day will be under the supervision of Robt. Rogers, Superintendent of Maintenance. Much needs to be done and it is hoped that all can be completed in one day. The work period will close with a wiener roast.

The student body has been greatly benefited this week by the ministrations of several out-of-town speakers who have been aiding Rev. James T. Jeremiah and his people in the dedication of their new church structure in the rear of their older building at 1501 East Third Street, in Dayton. On Monday the speaker was Dr. William Taylor, pastor of Grace Baptist Church of Birmingham, New York. Tuesday morning the students heard the Rev. Hall Dautel, pastor of Temple Baptist Church of Portsmouth, Ohio. In a helpful message from the Book and in some delightful piano solos based on old hymns of the church.

On Wednesday evening at 7:30 the Immanuel Baptist Church of Dayton had its Cedarville Night. Dr. Arthur F. Williams, Dean of Students was the speaker at this service. Quartets and trios, both vocal and instrumental, provided the music for this occasion.

Baseball season is almost here. The diamond is being disced and rolled for play. A new backboard at home plate is being constructed. The first game of the season will be played against Bluffton College on Wednesday afternoon, April 7 in Cedarville.

Correction of an error in last week's edition: The meeting of the Fellowship of Baptists for Home Missions will be held on April 26 instead of March 22 as was stated.

Test Reports Given

Local cow herds of several farmers in this vicinity led in D.H.I.A. testing during the month of February. A total of 1153 cows in the county were on test.

The herd of Monroe Pyles and D. F. Kyle tested 34.0 pounds B.F. with 17 cows, 2 dry, and averaged 991 pounds of milk.

The 10 Holstein herd of Lauris Straley and Sons tested 34.0 pounds B.F. with 1 cow dry and an average of 927 pounds of milk.

The herd of John Stover averaged 30.6 pounds B.F. and 874 pounds of milk.

The herd of Paul Townsley had a cow Whitle (Holstein) which finished lactation with 10760 pounds of milk, 376 B.F. in 28 days.

Rosie (Holstein) belonging to the herd of Herbert L. Fields, tested 1278 pounds of milk, 427 B.F. in 305 days.

New, roomier bodies!

New, rugged construction!

New Chevrolet Trucks...

do more work per day... more work per dollar!

You save extra trips. That's because of the extra load space you get in the new Advance-Design bodies. New pick-up bodies are deeper, new stake and platform bodies are wider and longer. Also, they're set lower for easier loading.

You save hours on the road. Thanks to new high-compression power, you can maintain faster schedules without driving at higher maximum speeds. Increased acceleration and hill-climbing ability let you save time where it counts.

You save time on deliveries. With new truck Hydra-Matic trans-

mission, you save time at every delivery stop. And you can forget about clutching and shifting for good! It's optional at extra cost on 1/2-, 3/4- and 1-ton Chevrolet trucks.

You save on operating costs. New power saves you money every mile! The "Thrifmaster 235" engine, the "Loadmaster 235" and the "Jobmaster 261" (optional on 2-ton models at extra cost) deliver increased operating economy.

You save with lower upkeep, too. Extra chassis strength saves you money on maintenance. There are heavier axle shafts in two-ton

models... bigger clutches in light- and heavy-duty models... stronger frames in all models.

And your savings start the day you buy. In fact, they start with the low price you pay and continue over the miles. Chevrolet is America's lowest-priced line of trucks. It's also the truck that has a traditionally higher trade-in value.

Come in and see all the wonderful new things you get in America's number one truck. We'll be glad to give you all the money-saving facts.

MOST TRUSTWORTHY TRUCKS ON ANY JOB!—Chevrolet Advance-Design Trucks
